Unfortunately no. there is an acct number but for some reason we still can't proceed.

On another note, did Arthur Kazianis get back to you about a bact I in the HIV lab? one of his staff is leaving soon.

Thanks,
Linda

Are the form 30's exactly the same?

Do we have the form 30 for the new position?

Hi Karen:

Now that we have an account number for the new ELC ACA funding, can we do a hiring waiver for the enterics lab bact I that we are currently interviewing for? The hiring committee has identified 2 good candidates.

Thanks,
Linda

Hi Ann,

Can you please let me know what the new ELC grant account number is? We have two positions in queue to post and just need the account #. Thanks.
